

Level 1: Entry Level Position

Overview:

- Number of times to be promoted to next client:
- Number of failed messages to loss state:
- Overall more obvious messages that you should decline
 - Keep it light hearted and funny
 - Use tropes
- Sticking with mostly .domain for now, future more .domain/xyz
- Maybe have a shop module that filters per domain name
 - Ie auto reject all .io
- Another shop module that filters per website name, ie all youtube links are auto accepted

Client 1 Theme: Family

- Mostly entertainment
- Parents blocking children's access
 - Children attempting to bypass
- Cheating parents
- Adult video sites (censored)
- Online shopping
- Missing family member?
- Game link during study time
 - Like multiple homework-related requests then a game one in between
 - Chegg link
